

Southport District Scouts '100 Club'

Information Sheet

How does it work?

'100 Club' members pledge to donate £2 each month [payable annually or 6 Monthly] and they will be allotted a membership number, at the end of each month a number will be pulled out of our '100 Club' box and the person with that number will receive a prize equivalent to 50% of the total donations for the month, up to a maximum of £100 the other 50% will go towards funding the district mini bus.

What if there are not 100 members?

The payout will not be as large but the ratio of 50% : 50% remain.

What if there are more than 100 members?

If we get more than 100 members we will introduce second and third place winners. The winner will get £100 and the rest will be divided at the discretion of the fund raising team but the total winnings will always be 50% of the pot for that month.

Can I have more than one number?

Yes you can have as many numbers as you like. The cost is per number so put on your form how many numbers you would like and then pay £24 per year per number.

Where and when will the draw take place?

During each month we will go to a different group and section HQ and ask a Beaver, Cub, Scout or Explorer to pull a number from our '100 Club' box.

Do I need to be present at the time of the draw?

No you don't need to be present, cheques will be forwarded to the winners and all members will be notified by email of the winner, it will also be published in the district newsletter.
