Reminder about a great opportunity for young people aged 14-25 to take part in our next Youth Forum on Saturday 16th April.

Following on from our Speaking Up event, our next Youth Forum meeting is taking place on Saturday 16th April at Tawd Vale and is open to 14-25 year olds. The event will run between 10.00 and 15.00 and is free of charge - you just need to bring a packed lunch. This event has been promoted to those who attended Speaking Up, but we are also welcoming others to attend too.

During the day, young people will have the opportunity to meet with some of our 'A Million Hands' partners and also try out some of our high and low ropes activities.

If you would like to bring any of your young people to this event, please contact youth.shaped@merseysidescouts.com, with details of who you'd like to bring.
